Isn't It Time For a Change?

We brought together the best of the best to deliver a suite of specialized solutions with unmatched service, trusted expertise and client-inspired innovation. We're focused on the employee experience while improving your bottom line. Reduce complexity and minimize disruption with Experian Employer Services.

We're keeping the focus and flexibility that you value in boutique providers and adding the resources and security of Experian. With over 75 years of combined industry experience, we are already improving the performance and experience for over 2,000 employers with over 17 million employees. And we are just getting started. **Verification. Unemployment. I-9. Employment Tax. Year-End Statements. ACA Reporting. Tax Withholding. Tax Credits.**

As the world of work is evolving, employers are asking us for alternatives to outdated practices and complacent legacy providers. Our priority is serving business leaders with expertise and innovation that drives business results.

Michelle Boddá,
President of Employer Services

The Experian Approach

Expertise

Each of our trusted professionals bring from their legacy companies to help clients stay ahead of the curve

Performance

Comes from our hands-on consultative approach, ensuring our services are tailored and optimized for each unique employer

Industry-leading Results

Driven by superior client service, delivering much-needed peace of mind to the nation's biggest brands and employers of all sizes

Customer-driven Innovation

An elevated user experience and data-driven insights make HR a value add: strategic and forward looking

Comprehensive Solutions

Resulting from our three combined companies that take care of the burdensome HR administrative functions that are best outsourced

Employer Services Solutions

Employment and Income Verification Services

Experian Employer Services provides essential employment and income data in a timely and cost effective manner.

Unemployment Cost Management

Take the risks and burdens of unemployment claim management off your HR team. From submission to hearing, we can help you recover UI overpayments, improve your claims win rates and get your unemployment tax costs under control.

I-9 Administration

Automate I-9 verification to reduce clerical errors, increase efficiency, avoid costly fines and boost compliance rates.

Employment Tax

Ensure maximum compliance, reduce internal resources, and recover tax overpayments with the only employment tax succession software in the market.

Year-End Tax & ACA Reporting

Create a stress-free, compliant experience during tax season with Experian Employer Services handling print and electronic fulfillment of tax and ACA statements and all required federal/state reporting.

Tax Withholding Services

Remove the complexities of managing employee tax withholding by ensuring employees always complete the latest federal, state and local tax forms—essential with today's hybrid workforce. Provide a seamless experience for employees using our integration with Workday and others.

Tax Credits & Incentives

Work Opportunity Tax Credit (WOTC)

With proactive program management and a nimble process, our industry-best approach and integration flexibility offers seamless on-boarding that is engaging for both candidates and field managers.

Employee Retention Credit (ERC)

Experian provides full service, data-driven solutions to identify, calculate and document the ERC.

More

Family Medical Leave Act Tax Credit; Other Federal & State Tax Incentives; Hurricane Disaster Zone Incentives; Sales & Use Tax Incentives; Cost Segregation; 179D Incentives
